

Varo® Believe Program Agreements and Disclosures

(Effective July 20, 2021)

PLEASE READ THIS DOCUMENT CAREFULLY AND KEEP A COPY OF IT IN A SAFE PLACE.

The Varo Believe Program (the “Varo Believe Program” or the “Believe Program”) contains two components: (1) the Varo Believe Card (which is governed by the Varo Believe Card Agreement and Disclosures, disclosed in Section I below); and (2) the Varo Vault Account (which is governed by the Varo Vault Account Agreement and Disclosures, disclosed in Section II below) (collectively, the Varo Believe Card Agreement and Disclosures along with the Varo Vault Account Agreement and Disclosures, the “Believe Program Accounts” and “Believe Program Accounts Agreements”).

The Varo Believe Card (“Believe Card” or “Card”) is a secured Visa® charge card, issued by Varo Bank, N.A. (the “Bank”). “We,” “our,” and “us” refer to the Bank, our successors, affiliates or assignees. When we say “you” or “your” we mean the owner of the Varo Believe Program Accounts.

The Believe Card is secured by funds (or a portion of funds, as applicable) held in your Varo Believe Vault Account (the “Vault,” “Vault Account,” or “Varo Believe Vault”). The Vault is an account that the Bank establishes to hold the funds as collateral to ensure prompt and full payment each billing cycle. The Spending Limit for your Believe Card is dictated by the Available Balance in your Vault at any time (as discussed further below). The Believe Card and Vault Account are designed to work together to assist you in building your credit by enabling you to pay your monthly Believe Card Statement balance in full and on time each month.

THIS AGREEMENT CONTAINS A MANDATORY AND BINDING ARBITRATION PROVISION, SEE BELOW FOR MORE DETAILS.

By providing an electronic signature or opening or holding an account with us, you agree to the most recent version of these Believe Program Accounts Agreements, which are available to you at <https://www.varomoney.com/policies/>, or within the Varo Mobile Application (the “Mobile App”) or the Varo Web Application (the “Web App”), collectively (the “App”).

I. Varo Believe Card Agreement and Disclosures

Please read this carefully and retain it for future reference. This Varo Believe Card Agreement and Disclosures (“the Believe Agreement”) is revised periodically, and may include changes from earlier versions.

A. Eligibility, Introduction, and Definitions

In order to be eligible for the Varo Believe Program, you must (at a minimum, other restrictions apply) have a Varo Bank Account with an available balance equal to or greater than \$0.00 and your Varo Bank Account must not be suspended or closed. Varo reserves the right to suspend or close your Believe Account and/or Vault Account or take any other action permitted under this Agreement in the event you become ineligible for the Varo Believe Program at any time.

The Believe Card may be used to make purchases and obtain cash. Your balance must be paid in full every month and is secured by the balance in your Vault Account, as described in this Believe Agreement. To calculate your Believe Card balance, we add purchases and transactions and fees posted to your account to any outstanding balance from the previous month, and subtract any payments and credits that we receive during the billing cycle. At the end of each billing cycle, your Believe Card balance equals the payment you owe for that billing cycle, due on the Payment Due

Date. If you have not fully paid this payment after the Payment Due Date, your account will be considered in default, and funds from your Vault Account (defined below) may be applied to satisfy the outstanding balance including any applicable fees. Any payments made will be reflected in your Believe Account within three (3) business days of receipt.

Terms used in this Believe Agreement are defined as follows:

- **“Varo Believe Card,” “Believe Card” or “Card”** mean the Visa Charge Card issued to you by the Bank that is subject to the terms of this Believe Agreement.
- **“Varo Believe Account,” “Varo Believe Card Account,” or “Believe Account”** mean the account underlying the Varo Believe Card that is subject to the terms of this Believe Agreement.
- **“Varo Bank Account”** means the existing demand deposit account you have opened with Varo Bank. A Varo Bank Account is required to open a Believe Account. See Varo Bank Account Agreement for more details about the Varo Bank Account.
- **“Varo Savings Account”** means the interest-bearing savings account you have opened with Varo Bank, if applicable.
- **“Available Balance”** means the amount you have available to spend in your Varo Vault Account, which excludes any pending transactions. Your Available Balance at any moment in time, this means the total funds held in your Vault Account minus the total of outstanding fees and all pending or settled transactions on your Card.
- **“Billing Cycle”** means the interval between Statements. Each Statement shows a closing date. The Statement closing date is the last day of the Billing Cycle for that Statement.
- **“Business Day”** means every day except Saturday, Sunday and federal holidays. Any references to “days” found in these Agreements are calendar days unless indicated otherwise.
- **“Cash Access”** means cash you obtain using your Believe Card in any of the following ways: (a) by presenting the Card issued to you at any financial institution that accepts Visa to obtain cash, or (b) by using the Card at an Automated Teller Machine (“ATM”) or other device available for this purpose to obtain cash.
- **“Debt”** has the meaning given in Section III.C of this Believe Agreement.
- **“Default”** has the meaning given in Section III.C of this Believe Agreement.
- **“New Balance” or “Statement Balance”** means the total outstanding balance of your Believe Card at the end of any Billing Cycle, as shown on your Statement. The New Balance is calculated as the sum of any outstanding balance from the previous month and purchases and transactions posted to the Believe Card, minus any payments and credits that we receive.

- **“Open to Buy Amount”** means the spending limit (the “Spending Limit”) amount on your Believe Card, which is equal to the Available Balance of your Vault, up to a maximum of \$2,500 per day for purchases, \$1,000 per day in cash advances, and \$10,000 per billing cycle. For additional information about cash withdrawals from ATMs with your Believe Card, see Section I.G “Card Transaction Limitations and Cash Access.”
- **“Payment Due Date”** means the date that the total amount owed is due. Your Payment Due Date is at least 21 days after the close of each billing cycle.
- **“Pending Transactions”** has the meaning given in Section I.X “Authorization Holds”.
- **“PIN”** means a personal identification number assigned to your Believe Card. You will need to set this up when activating your card.
- **“Purchase”** means your purchase of goods or services with the use of your Believe Card or Believe Card number (including, without limit, purchases made in person, on the Internet, through mail order, or over the telephone). Tax payments made with your Believe Card (including any fees charged by a taxing agency) are Purchases.
- **“Safe Credit Builder”** is the method the Bank uses to collect automatic payments from your Vault account. By enrolling into Safe Credit Builder, you authorize the Bank to automatically pay your New Balance at the end of your billing cycle from the funds in your Vault Account, before your actual Payment Due Date.
- **“Secured Charge Card”** means a secured credit card that requires payment in full every month. The Believe Card is a secured charge card. Purchases made using the Believe Card can be made up to the Open to Buy Amount, with a maximum of \$10,000 per billing cycle. Limitations for daily cash access and purchase transactions are outlined in Section I.G “Card Transaction Limitations and Cash Access”. Since the total of all charges and cash withdrawals made each billing cycle must be paid in full each month by the Payment Due Date, there is no interest charged or minimum payment.
- **“Statement”** is your monthly bill, which is provided to you electronically at the end of your billing cycle as described in Section III.A “Statements”.
- **“Total Due”** means the New Balance due at the end of the billing cycle.

B. How the Varo Believe Card Works

Before you use your Believe Card, you will have the ability to move funds into your Vault, as described below. When you make a Purchase using the Believe Card, your Purchase will be approved only if the amount of the Purchase is not greater than the Open to Buy Amount. If your Purchase is approved, the Purchase amount will appear as a credited amount on your Believe Account and your Available Balance in your Vault will be reduced by the Purchase amount--this will be held in your Vault as security for your expenditures. A Purchase will be declined if the Purchase amount is greater than the Open To Buy Amount. You can always move your Available Balance from

your Vault back to your Bank Account and/or Savings Account (as applicable). Any funds in your Vault Account in excess of your Available Balance cannot be withdrawn from the Vault Account (the “Secured Funds”). The Secured Funds in the Vault Account are used to secure the amount of your purchases.

C. Vault Account

Your Believe Card is secured by the Secured Funds held in your Vault Account, which is established when you are issued a Believe Card. As you make purchases on your Believe Card, the Purchase amount will be deducted from your Available Balance in the Vault. If you try to make a Purchase that cannot be secured based on the Available Balance of your Vault, the transaction will be declined. After the billing cycle ends, your Statement Balance can be automatically paid in full from the Vault Account as described in Section I.E.4 below. Secured Funds can only be used to pay down your monthly Statement Balance. You will not earn interest on the funds in the Vault Account. The Vault Account is described more completely below in Section II (Vault Account Agreement and Disclosures).

D. Spending Limit and Open to Buy Amount

Your Spending Limit (also known as your Open to Buy Amount) is equal to your Available Balance in your Vault, up to a maximum of \$10,000 per billing cycle, subject to daily purchase and cash withdrawal limits as described in Section I.G “Card Transaction Limitations and Cash Access.” Deposits and withdrawals in your Vault will change your Open to Buy Amount. Pending Purchases, merchant credits for returns, and authorization holds (“Pending Transactions”) may affect your Open to Buy Amount. This section describes when and how your Purchases, Pending Transactions, and Believe Card payments will affect the Open to Buy Amount. Crediting of payments for purposes of your scheduled payment obligations is described in Section I.W “Receipt and Crediting of Payments.” For purposes of your Open to Buy Amount, the following will apply:

1. Cash withdrawals and Purchases, including any Authorization Hold (see Section I.X “Authorization Holds”), will decrease your Open to Buy Amount immediately when the Card is used at an ATM or at a merchant. As soon as a transaction is approved, the transaction amount will be secured in the Vault.
2. Deposits into the Vault will increase your Open to Buy Amount to the limits described above.

E. How to Make Payments on the Varo Believe Card Account

1. **Making Payments.** All payments to the Bank must be made in U.S. Dollars. You can pay in the following ways:

- a. Automatic payments from your Vault Account via Safe Credit Builder
- b. Manual one-time payments from your Vault Account
- c. Automatic payments from any bank account you have linked to Varo
- d. Manual one-time payments from any bank account you have linked to Varo
- e. Mailing a check. Mail a check to: ATTN: Lending Department, P.O. Box 108, Draper, UT 84020. Your check must arrive before 5:00 p.m. Eastern Time on the day it is due. Be sure

to write your Believe Card account number on your check; your account number can be found on your Statement.

You may enable automatic payments from your Vault Account to your Believe Card by selecting the Safe Credit Builder option at enrollment, or by enabling automatic payments at any time thereafter. You are not required to enable automatic payments to be able to make purchases with your Believe Card. Your access to credit and Open to Buy Amount will be determined in the same manner whether or not you enable automatic payments. You may disable automatic payments, including Safe Credit Builder, at any time. If you make payments to your Believe Card from any bank account linked to Varo, the Available Balance in your Vault Account will be increased by the amount of your payment.

2. General Promise to Pay. You promise to pay us all amounts you owe on your Believe Card Account, including without limit, the total amount of all Purchases and all other charges and fees described in this Believe Agreement. You must make a payment every month that your Believe Card Account reflects a New Balance (the New Balance is the entire amount that you owe the Bank at that time). If we do not receive your Total Due by the Payment Due Date reflected on your Statement, you will be considered in Default of the terms of this Believe Agreement, and if we do not receive your Total Due within 10 days of the Payment Due Date reflected on your Statement, you will be charged a late fee. See “Our Rights Upon Default”, for consequences of Default.

3. Payment Hierarchy. Payment will be applied to any fees corresponding to your oldest outstanding balance (per statement period), then to your oldest outstanding balance (per statement period). This order recurs for each outstanding statement period. For example, your payment will be applied first to fees associated with balances 61-90 days past due, then to balances 61-90 days past due, then to fees associated with balances 31-60 days past due, then to balances 31-60 days past due, and then to fees associated with balances 0-30 days past due and finally to balances 0-30 days past due.

4. Payments Made Using Safe Credit Builder

- a. If you enable Safe Credit Builder, funds from your Vault Account in the amount of the Total Due will be used to automatically pay your New Balance at the close of your billing cycle. This means that your payment in full will be deducted from your Vault Account automatically prior to your payment due date. You will be notified of the amount of the automatic payment from your Vault Account in the same communication where you are notified that your Statement is available.
- b. By agreeing to Safe Credit Builder, you agree to opt out of having twenty-one (21) days to make a payment and instead have your automatic payment applied within one day after the Statement is created, as long as the payment amount falls within the range between \$0.01 and the Total Due on the Statement.
- c. If the Total Due is greater than the amount in your Vault Account, your payment will not be made until you deposit the shortage into your Vault. You will have twenty-one (21) days to deposit the shortage into your Vault in order to make your Varo Believe Card payment on time. Failure to make your payment on time could result in a default.

5. Total Due Payment Requirement. Each month you must pay the Total Due that is shown on your Statement, and we must receive that payment on or before the Payment Due Date shown on

each Statement. The Payment Due Date will be the same day of each calendar month. If the Payment Due Date is not a Business Day, we will treat any payment received by us by 5:00 p.m. Eastern Time on the next Business Day as having been made on the Payment Due Date. See Section I.W “Receipt and Credit of Payments.” If your Total Due payment is not received by your Payment Due Date, you will be in Default. See Section III.C “Our Rights Upon Default” for consequences of Default.

F. Fees

1. **Annual Fee.** There is no annual fee.
2. **Late Payment Fee.** There is a late payment fee of \$15 if you are more than 10 days late on your monthly payment. Late Payment Fees are not charged on any delinquencies where the amount of the delinquency is less than the amount of the Late Payment Fee. The Late Payment Fees are capped at three times the Late Payment Fee per delinquency state.
3. **Foreign Transaction Fees.** There is no fee for foreign transactions (see Section I.H “Transactions Made in Foreign Currencies” for additional restrictions on such transactions).
4. **Card Replacement Fee.** There is no fee to replace a Card for any reason. You are responsible for safeguarding your Card. We reserve the right to cancel your Believe Card for excessive requests for Card replacement. The determination of what constitutes excessive shall be made in our sole discretion.
5. **Expedited Card Replacement Fee.** We will impose a \$25 fee if you request that we expedite the delivery of a replacement Card to you.
6. **How Fees Are Collected.** Any fees due as described in this Believe Agreement will be deducted from your Vault, to be paid with your balance due at the end of your Billing Cycle. Your Believe Card balance will also increase by the amount of the fee charged. You can use the Vault Account balance to pay your Believe Card Balance at the close of the Billing Cycle. Your promise to pay includes any fees charged to your Believe Card Account.

G. Card Transaction Limitations and Cash Access

With your PIN, which you must set up when activating your Believe Card, you can use your Believe Card to withdraw cash from your Bank Account at any ATM (“Automated Teller Machine”) that bears the Allpoint® or Plus® Acceptance Mark(s). ATM withdrawals with the Believe Card function just like a purchase transaction on the Believe Card: the amount of the cash you withdraw will be charged to the Believe Card Account, and the Available Balance in your Vault will be decreased by the same amount. Your request to withdraw funds will be declined if you do not have sufficient Available Funds in your Vault.

The daily limits for cash withdrawals and purchases using the Believe Card are listed below.

Transaction Type	Varo Bank Fees	Frequency and/or Dollar Limits
ATM Withdrawal (Allpoint® ATMs)	\$0.00	No limit to the number of times per calendar day \$1,000 per day, or the Available Balance in your Vault, whichever is less.
ATM Withdrawal Fee (non-Allpoint ATMs/out-of- network)*	\$2.50	No limit to the number of times per calendar day \$1,000 per day, or the Available Balance in your Vault, whichever is less.
Card Purchases	\$0.00	There is a limit of 30 transactions per calendar day \$2,500 per day, or the Available Balance in your Vault, whichever is less. To a maximum of \$10,000 per billing cycle.

* ATM owner-operators and participating banks may impose their own lower limits on cash withdrawals as well as their own fees. If you use a non-Allpoint network ATM (out-of-network), including for a balance inquiry, you may be charged an additional fee on top of the Varo Bank out-of-network fee by the ATM operator even if you do not complete a withdrawal: such a fee is a third-party fee assessed by the individual ATM operator only and is not assessed by Varo Bank. The ATM fee will be charged to your Believe Card Account.

1. Using Your Card. Consistent with applicable law, you may use the Varo Believe Card to purchase goods or services everywhere where Visa cards are accepted. To initiate a Believe Card purchase, you may (1) swipe the Card through a POS terminal, (2) insert the Card into a EMV chip-enabled POS terminal, (3) tap your contactless card at a contactless terminal, (4) pay using a mobile wallet on your mobile phone to which you have added your Believe Card, or (5) provide your 16-digit Card number for a mail order, telephone, or internet purchase.

Some merchants do not allow customers to conduct split transactions in which the Varo Believe Card is used as partial payment for goods and services and the remainder of the balance is paid with another form of legal tender. If you wish to conduct a split transaction and it is permitted by the merchant, you must tell the merchant to charge at most the exact amount of the Available Balance in the Vault to the Varo Believe Card. You must then arrange to pay the difference using another payment method. Some merchants may require payment for the remaining balance in cash. If you fail to inform the merchant that you would like to complete a split transaction prior to swiping or dipping the Card, the Card may be declined in case of insufficient funds in the Vault. See Section I.B “How the Varo Believe Card Works.”

If you use the Believe Card at an automated fuel dispenser, i.e., “pay at the pump”, the transaction may be preauthorized for an amount up to \$75.00 or more. If you use the Believe Card at a restaurant, a hotel, for a car rental purchase, or for similar purchases, the transaction may be

preauthorized for the purchase amount plus up to 20% or more to ensure there are sufficient funds available to cover tips or incidental expenses. A preauthorization places a hold on those available funds until the merchant sends us the final payment amount of your purchase. Once the final payment amount is received, the hold on the pre-authorized amount will be removed. It may take up to seven (7) days for the hold to be removed. During the hold period, you will not have access to the pre-authorized amount.

All transactions relating to car rentals may result in a hold for that amount of funds for up to sixty (60) days. In these cases, this will impact both your Believe Card Balance and your Available Balance in your Vault.

2. Card Not Present. If you use the 16-digit Card number without presenting the Believe Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you had used the Card itself.

3. Use Restrictions. The Believe Card use restrictions include, but are not limited to: restricted geographic or merchant locations where there is a higher risk of fraud or illegal activity; restrictions to comply with laws or prevent our liability; and other restrictions to prevent fraud and other losses. For security reasons, we may, with or without prior notice, limit the type, amount, or number of transactions you can make with the Card. You may not use the Card for illegal online gambling or any other illegal transaction.

We may increase, reduce, cancel, or suspend any of the restrictions, or add new ones at any time.

You agree to use your Believe Card only for personal, family, or household purposes. You also promise that your Believe Card will not be used for purposes that are illegal under state or federal law, including without limit illegal gambling activity. We reserve the right to deny transactions or authorizations from merchants that appear to be engaged in illegal activities. We are not responsible if anyone does not allow you to use your Believe Card or refuses to accept your Card. We may decline any transaction at any time.

4. Overlimit. Each time you use the Believe Card, you authorize us to reduce the Available Balance in the Vault by the full amount of the transaction and any applicable fees. You are not allowed to exceed the Available Balance in the Vault through an individual transaction or a series of transactions. If a transaction exceeds the balance of the Available Balance in the Vault, you shall remain fully liable to us for the full amount.

5. SECURITY INTEREST IN VARO BANK AND SAVINGS ACCOUNTS. AS A CONDITION OF THE VARO BELIEVE PROGRAM, YOU HEREBY AGREE TO GRANT VARO A SECURITY INTEREST IN YOUR VARO BANK ACCOUNT AND VARO SAVINGS ACCOUNT. FURTHER YOU AGREE THAT, IN THE EVENT ONE OF YOUR TRANSACTIONS ON THE BELIEVE CARD EXCEEDS THE AVAILABLE BALANCE IN THE VAULT, THE BANK WILL REDUCE THE AMOUNT AVAILABLE IN YOUR BANK ACCOUNT OR SAVINGS ACCOUNT BY THE EXCESS AMOUNT OF THE TRANSACTION AND ANY APPLICABLE FEES. IF THE FUNDS ARE INSUFFICIENT IN YOUR BANK ACCOUNT, THE BANK RESERVES THE RIGHT TO MOVE SUCH FUNDS WHEN ADDITIONAL FUNDS BECOME AVAILABLE IN THE BANK ACCOUNT.

H. Transactions Made In Foreign Currencies

If you withdraw money or make a purchase with your Believe Card in a foreign currency, the amount deducted from the Available Balance of the Vault will be converted by Visa into the amount in United States Dollars. The exchange rate is set by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date.

I. Account Opening and Usage

You may open a Varo Believe Card by using the Mobile App. We may refuse to process any transaction(s) that we believe may violate the terms of this Believe Agreement. Except as prohibited by law, we may change or restrict your credit ability at any time, including cancelling your account without advance notice. Consistent with applicable law, written notice will be provided to inform you of any changes.

J. Agreement to Terms

By applying for a Believe Card, signing the Card, or otherwise using or consenting to the use of the Believe Card, you agree to the terms and conditions of Believe Program Accounts Agreements and that this Believe Agreement will govern your Believe Card, the use of your Card, and all credit extended under this Believe Agreement. You also agree that your use of your Believe Card, whether by use of your Card or otherwise, will constitute your acceptance of, and will be subject to, this Believe Program Accounts Agreements.

K. Available Transactions

You may use your Believe Card to make purchases so long as you are not in Default of this Believe Agreement subject to your Open to Buy Amount. You may not obtain balance transfers from your Believe Card. You may make Purchases as described in the definition of Purchase, above. You may obtain Cash Access in the ways described in the definition of Cash Access above. When you activate your card, you will be prompted to choose a PIN, as described in Section I.N “Activating Your Card.” With this PIN you can obtain Cash Access at any authorized ATM using your Believe Card.

L. Account Titling and Ownership

The Believe Card may only be owned and titled in the name of one (1) person who solely retains the right to use the card for Purchases and cash access transactions. The Believe Card cannot be owned or titled jointly, by an organization, or under “Power of Attorney.” The Believe Account, Vault Account, and your obligations under this Believe Agreement may not be assigned.

In the event that your Believe Account or Vault Account comes under a Power of Attorney or conservatorship, we will work with your legal representatives to handle the disposition of your Believe Account and Vault Account.

M. Using The Varo Believe Card

You will receive a Varo Believe Card. You acknowledge and agree that the purchases and cash access accessible through use of the Believe Card are limited to the Available Balance in your Vault. You agree to sign the back of the Believe Card immediately upon receipt. The expiration date of the Believe Card is identified on the back of the card. The Varo Believe Card is the property of the Bank and must be surrendered upon demand. The Believe Card is nontransferable and it may be cancelled, repossessed, or revoked at any time without prior notice subject to applicable law. We, a merchant, or any party acting on our behalf, may retain your Card without prior notice to you. We have the right not to renew your Believe Card. If we have not terminated your Varo Bank Account or exercised our right not to renew your Believe Card, we will send you a new Card when your prior Card expires.

N. Activating Your Card

You must activate the Believe Card before it can be used. You may activate it through the Mobile App, or by calling 1-877-377-8276. If you activate your card by calling us, you will need to provide personal information in order for us to verify your identity.

O. Personal Identification Number

You will be prompted to select a PIN when you activate your card, as described in the activation instructions in Section I.N “Activating Your Card.” You should not write or keep your PIN with the Card. Never share your PIN with anyone. When entering your PIN, be sure it cannot be observed by others and do not enter your PIN into any terminal that appears to be modified or suspicious. If you believe that anyone has gained unauthorized access to your PIN, you should advise us immediately following the procedures in the Section I.R “Liability for Certain Unauthorized Card Transactions.”

P. Authorized Card Users

You are responsible for all authorized transactions initiated and fees incurred by use of the Card. If you permit another person to have access to the Varo Believe Card, Varo Believe Card number(s), or PIN, we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of your Varo Believe Card according to the terms and conditions of this Believe Agreement.

R. Liability For Certain Unauthorized Card Transactions

If you believe that your Believe Card has been used without your permission, contact us at once via the App (if available) or by calling our Customer Service Department at 1-877-377-8276 or you may write to us at support@varomoney.com. You must provide a written statement that includes your name, account number, the dollar amount of your suspected error, why you believe it is an error, type of unauthorized transaction(s) with the date(s) and amount(s) of error. Except as provided below, your liability for unauthorized transactions that take place on the VISA system is zero dollars (\$0). We may require you to provide a written statement regarding claims of unauthorized transactions. This protection does not apply if we determine that you have been fraudulent or negligent in the handling of your Varo Believe Card. These provisions limiting your liability also do not apply to any credit transactions that are not processed by VISA. See Section I.CC “YOUR

BILLING RIGHTS” for more information concerning your rights and our responsibilities under the Fair Credit Billing Act and your potential liability for transactions that are not covered by this section.

S. Secondary Cardholder Prohibited

You may not request an additional Believe Card for another person.

T. Receipts

You should get a receipt at the time you make a transaction using the Believe Card. You agree to retain, verify, and reconcile your transactions and receipts.

U. Card Replacement

If you need to replace your Believe Card for any reason except at the Believe Card expiration, please contact 1-877-377-8276 to request a replacement Believe Card. You will be required to provide personal information which may include the 16-digit Card number, your full name, transaction history, copies of acceptable documentation.

V. Believe Card Expiration

When your Believe Card nears its expiration date, the Bank will automatically mail a replacement Card to you. You will not be able to use the Card after the expiration date. If you need a Card replacement for any reason other than the Card's expiration, you may request one at any time by following the procedures in Section I.U “Card Replacement.”

W. Receipt and Crediting of Payments

To ensure a timely payment, we must receive your payment by 5:00 p.m. Eastern Time on a Business Day in order to be credited to your Believe Card on that day. For purposes of your payment obligations, the following describes when your payments must be made in order to be credited to your Believe Card on a timely basis.

1. **Vault Account Payments.** A Varo Payment received by us by 5:00 p.m. Eastern Time will be credited to your Believe Card at the time that we receive it.
2. **Other Payment Options.** All “Other Payments” received by us by 5:00 p.m. Eastern Time on a Business Day will be credited to your Believe Card the day of receipt. “Other Payments” may include: (a) any payment you make through the bank account linked to Varo, and (b) any check payment we receive that includes your accurate Believe Card account number in the payment instructions. See Section I.E.1 “Making Payments” for instructions on how to make payments via other bank accounts or via check.
3. **Non-Conforming Payments.** Any payment method that does not meet the requirements of the “Other Payments” is “non-conforming”. Non-conforming payments will be credited to your Believe Card within 5 days so long as we can identify your Believe Card.
4. **Application of Payments.** Subject to applicable law, we will apply and allocate payments and any credits on your Believe Card as described in Section I.E.3 “Payment Hierarchy.”

Y. Negative Credit Reports

YOU ARE HEREBY NOTIFIED THAT A NEGATIVE CREDIT REPORT REFLECTING YOUR CREDIT HISTORY WITH US MAY BE SUBMITTED TO A CREDIT-REPORTING AGENCY IF YOU FAIL TO FULFILL THE TERMS OF YOUR CREDIT OBLIGATIONS. LATE PAYMENTS, MISSED PAYMENTS, OR OTHER DEFAULTS ON YOUR CARD ACCOUNT MAY BE REFLECTED IN YOUR CREDIT REPORT.

Z. Obtaining Credit Information

When you applied for your Believe Card, you authorized us to make or have made any credit, employment, income, or other investigative inquiries we deemed or deem in the future to be appropriate (including, without limit, obtaining a consumer report) prior to extending credit to you. You also authorized us to make such inquiries and obtain consumer reports when renewing, updating, or collecting on your Believe Card in the future. Upon your request, we will tell you whether we obtained a consumer report and the names and addresses of any consumer-reporting agencies that provided such reports.

AA. Account Closure and Change in Terms

1. **You May Close Your Believe Card.** You may close your Believe Card at any time by notifying us at help@varomoney.com. We will close your Believe Card after we receive notice from you and have a reasonable opportunity to process your notice. You agree that we are not responsible for any costs, damages, or inconvenience you may suffer as a result of our closing your Believe Card.

2. **We May Close Your Believe Card.** Consistent with applicable law, even if you are not in Default, we may:

- close your Believe Card;
- cancel or suspend your privileges to make Purchases; or
- otherwise cancel or suspend any Believe Card privileges or benefits (whether or not such privileges or benefits are described or referred to in these Agreements). We may do so for any reason, including Believe Card inactivity, at our sole discretion. We will provide you with notice of any such action if required to do so by applicable law.

3. **No More Transactions if the Believe Card is Closed.** If either you or we close your Believe Card you may not make further Purchases with your Believe Card. However, you will remain responsible

and must pay for all credit owed to us (extended to you or arising from use of your Believe Card prior to or subsequent to closure). We also will return to you the funds from your Vault Account to your Bank Account.

BB. YOUR BILLING RIGHTS

KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your Statement, email or call us:
help@varomoney.com OR 1-877-377-8276

In your communication, give us the following information:

- **Account information:** Your name and Believe Card number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your Statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Communication

When we receive your communication, we must do two things:

1. Within 30 days of receiving your communication, we must tell you that we received your communication. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your communication, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your Statement.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your Card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the Purchase.

To use this right, all of the following must be true:

1. The Purchase must have been made in your home state or within 100 miles of your current mailing address, and the Purchase price must have been more than \$50. (Note: Neither of these are necessary if your Purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your Card for the Purchase.
3. You must not yet have fully paid for the Purchase.

If all of the criteria above are met and you are still dissatisfied with the Purchase, contact us in writing at:

P.O. Box 108
Draper, UT 84020

Or email us at help@varomoney.com

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

CC. Disputes With Merchants or Other Financial Institutions

We are not responsible for refusal by any merchant, financial institution, or automated equipment to honor or accept your Card, and we have no responsibility for merchandise or services obtained by you with your Card except as provided in Section I.CC "YOUR BILLING RIGHTS" of the Believe

Agreement. You agree to use your best efforts to resolve any dispute concerning merchandise or services with the merchant concerned.

DD. Other Agreement References

All of the provisions of Section III (Other Agreements and Disclosures Applicable to Both the Varo Believe Agreement and Varo Vault Agreement) are incorporated herein by reference as if set forth in full.

II. Varo Vault Account Agreement and Disclosures

Please read this carefully and retain it for future reference. This Varo Vault Agreement and Disclosures (“the Vault Agreement”) is revised periodically, and may include changes from earlier versions.

A. Introduction and Definitions

The Varo Vault Account is an account at the Bank used in partnership with the Believe Card and Believe Account; however, it is an independent account. The purpose of the Vault Account is to act as security to ensure payment of any charges to the Believe Account. You may make deposits into the Vault Account and, up to the Available Balance, you may make withdrawals from the Vault Account. The Secured Funds in your Vault may not be withdrawn from the Vault. Your Total Due must be paid in full every month and is secured by the Secured Funds in your Vault Account. At the end of each billing cycle, your Believe Card balance may equal the payment you owe for that Billing Cycle, due on the Payment Due Date.

This Agreement is about your Vault Account issued by the Bank. “We”, “our” and “us” refer to the Bank, our successors, affiliates or assignees. When we say “you” or “your” we mean the holder of the Vault Account. The Vault Account or Vault is the collateral account the Bank establishes as security to enable you to make prompt and full payment each billing cycle. After you have added funds to your Vault Account, when you make purchases with your Believe Card, the amount of the purchase is deducted from your Available Balance in the Vault. Funds in the Vault Account can then be used by you to pay the Total Due at the close of the billing cycle. You will not earn interest on the balances in the Vault Account. Other terms used in this Vault Agreement are defined in the Believe Agreement and are incorporated herein.

Interest Rates	
Annual Percentage Yield	0.00%

-----------------------	---------------

B. How the Varo Vault Account Works

In order to use the Varo Believe Card, you must have an open Varo Bank Account and also an open Vault Account. When you make a Purchase using the Believe Card, your Purchase will be approved only if (1) you have sufficient Available Balance in your Vault, and (2) the amount of the Purchase is not greater than the Open to Buy Amount. If your Purchase is approved, the Purchase amount will appear as a credited amount on your Believe Account, the Available Balance in your Vault will be reduced by the Purchase amount, and the Secured Funds in the Vault will be increased by the Purchase amount as security for your expenditures. A Purchase will be declined if the Purchase amount is greater than (1) your Available Balance in the Vault or (2) the Open To Buy Amount. Secured Funds cannot be withdrawn from the Vault Account, only funds up to your Available Balance may be withdrawn from the Vault. The Secured Funds in the Vault Account are used to secure the amount of your purchases and cash advances, and can be used to pay your monthly Statement balance.

C. Vault Account

The Secured Funds in the Vault Account, which are securing an outstanding balance on the Believe Card, cannot be utilized by you for any purpose. You will not earn interest on the funds in the Vault Account. After the billing cycle ends, your Statement Balance on your Believe Card can be automatically paid from the Vault Account by selecting the Safe Credit Builder option at enrollment, or by enabling automatic payments at any time thereafter.

You can move funds between your Varo accounts by depositing additional funds in your Vault or by withdrawing, up to your Available Balance, funds from your Vault. If, at the end of a billing cycle, you choose to pay your Believe Card's Statement Balance by a means permitted under the Believe Agreement other than by using funds in your Vault Account, the Available Balance in your Vault will be increased by the amount of your payment.

D. Account Opening and Usage

You must open a Vault Account through the Mobile App in conjunction with opening a Varo Believe Card Account. We may refuse to process any transaction(s) that we believe may violate the terms of this Vault Agreement. To the extent permitted by law, we may change or restrict your credit availability at any time, including cancelling your Vault Account without advance notice. Consistent with applicable law, written notice will be provided to inform you of any changes.

E. Agreement to Terms

By applying for a Believe Card, signing the Card, or otherwise using or consenting to the use of the Believe Card, you agree to the terms and conditions of this Vault Agreement as well as the Believe Agreement and that these Agreements will govern your Believe Card, the use of your Card, all credit extended under this Believe Agreement, and transactions with the Vault Account. You also agree that your use of your Believe Card, whether by use of your Card or otherwise, will constitute your acceptance of, and will be subject to, the Vault Agreement.

F. Account Titling and Ownership

The Vault Account may only be owned and titled in the name of one (1) person who solely retains the right to use the card for purchase and cash access transactions. The Vault Account cannot be owned or titled jointly, by an organization, or under “Power of Attorney.” The Vault Account and your obligations under this Vault Agreement may not be assigned.

In the event that your Vault Account comes under a Power of Attorney or conservatorship, we will work with your legal representatives to handle the disposition of your Vault Account.

G. Deposit Sweep Program

1. Introduction

The Varo Insured Deposit Sweep Program (“Program”) is offered to you by Varo as a sweep option and is intended for the deposit of your Available Balance in your Vault into bank deposit accounts at FDIC-insured Program Banks, as defined below, (these accounts at Program Banks will be either money market deposit accounts or demand deposit accounts). This will not impact your access to your Available Balance in your Vault, subject to FDIC insurance. You have been automatically enrolled in the Program; however, you may affirmatively opt out as described below.

Varo has appointed Stable to allocate your money to deposits in deposit accounts at insured banks that are participating in the Program (“Program Banks”) to seek to maximize the amount of FDIC insurance available to you up to \$1,225,000 per category of legal ownership, subject to certain exceptions. Stable is not, itself, a bank, broker-dealer, or investment adviser and does not hold any of your Swept Deposits (as defined below).

If you are enrolled in the Program, Varo may sweep all or part of your Available Balance to deposit accounts at Program Banks. If you have more than \$250,000 in Available Balance in your Vault, total funds in your Varo Savings Account and total funds in your Bank Account combined, we will always sweep funds held in your Varo accounts above \$250,000 to provide FDIC insurance up to the maximum insured deposits. A list of the current Program Banks is available at <https://faq.varomoney.com/hc/en-us/sections/360010069031-Deposits>, this list is subject to change and Varo may add or eliminate any Program Banks at any time without notice to you.

You may withdraw cash held at Program Banks at any time. At any time after enrolling, you may opt-out of the Program by contacting us at support@varomoney.com or at 1-877-377-8276. If you opt-out of the Program at any time, you will opt-out of the Program for your Vault and any other Varo accounts you may have (as applicable). Such an opt-out election shall take effect after Varo receives such notice and Varo has had a reasonable opportunity to act on that notice.

YOU UNDERSTAND THAT BY ENROLLING IN THE PROGRAM, YOU ARE INSTRUCTING VARO TO DIRECT THE PLACEMENT OF YOUR DEPOSITS IN YOUR ACCOUNT UP TO THE AMOUNT OF DEPOSIT INSURANCE COVERAGE PROVIDED BY THE PROGRAM. YOU ACKNOWLEDGE THAT YOU HAVE RECEIVED AND CAREFULLY READ THESE TERMS AND CONDITIONS BEFORE ENROLLING IN THE PROGRAM. YOU MAY OPT OUT OF THE PROGRAM AT ANY TIME BY CONTACTING US support@varomoney.com OR AT 1-877-377-8276.

2. Detailed Terms and Conditions of Deposit Sweep Program

A. Account Eligibility

This Program is available to the Available Balance of your Vault and not Secured Funds held in your Vault.

B. Deposits

Except as otherwise provided herein, each business day, Varo, utilizing the services of Stable, may deposit the Available Balance in your Vault that Varo desires to sweep to one or more omnibus deposit accounts maintained at the Program Banks held in the name of “Stable Custody Group II LLC, as Agent, for the Exclusive Benefit of its Demand Deposit Marketplace Participating Institutions, as Agent, for the Exclusive Benefit of its Demand Deposit Marketplace Customers, Acting for Themselves and/or Acting in a Fiduciary Capacity for Others” or a similar title. The amount of your deposit balances in your Vault that are swept to Program Banks (the “Swept Balances”) is based on the cumulative balance of your Available Balance in your Vault, the total funds in your Bank Account, and the total funds in your Savings Account (if applicable) on the prior business day and the Swept Balances are transferred and deposited with the Program Bank accounts on the same business day. Your ownership of Swept Deposits will be evidenced by an entry on records maintained by Varo and Stable for each of the Program Banks at which your funds are on deposit. You will not be issued any evidence of ownership of a Program Bank account, such as a passbook or certificate.

There is no minimum deposit amount required to participate in the Program and no minimum balance to maintain your participation in the Program. There also is no minimum period that your money must remain on deposit in the Program and no limitations on the number or dollar amount of withdrawals from, or deposits to, the Program accounts. There are no penalties or fees for withdrawal of your entire balance, or any part thereof, at any time.

C. Withdrawals

By enrolling in the Program, you consent to have the money you have in accounts administered through the Program on deposit at the Program Bank(s) automatically withdrawn from the Program Bank accounts in the event of a transaction on your Believe Card. Each business day as needed, Varo will withdraw your cash from the Program Bank accounts.

You may make withdrawals from the Program, in any amount, not to exceed your total account balance in the Program, through your Vault or Bank Account. Withdrawals from the Program cannot be made directly by you from any of the Program Banks. In the unlikely event of the failure of Varo, you may seek to access your funds by contacting Stable at 866-237-2752 or the Program Banks. The Program Banks reserve the right to require you to present any information, identification, certification or any other documentation reasonably deemed necessary by the Program Banks to establish your entitlement to funds prior to disbursing any funds to you.

D. FDIC Deposit Insurance: Operation and Limitations

Any Swept Deposits under the Program are deposited into FDIC-insured omnibus deposit accounts at the Program Banks that hold your and our other customers’ funds, and in which you will hold a beneficial interest. Your Swept Deposits are held in those Program Bank account(s) in a manner

designed to provide you with FDIC insurance at each Program Bank. Stable, as your agent, allocates your Swept Deposits among the Program Bank accounts to seek to maximize FDIC deposit insurance coverage available under the Program. FDIC deposit insurance coverage is normally available for your Swept Deposits up to the FDIC standard maximum deposit insurance amount (“SMDIA”), which is currently \$250,000 per legal category of account ownership at each participating Program Bank when aggregated with all other deposits held by you in the same Program Bank and in the same legal category of account ownership. Thus, the maximum amount of Swept Deposits eligible for FDIC insurance coverage would not exceed the SMDIA per legal category of account ownership multiplied by the number of participating Program Banks, less any funds that you may hold in a Program Bank outside of the Program in the same legal category of account ownership. However, Varo may instruct Stable to limit the total deposit for you at any Program Bank to an amount less than the maximum permitted amount of \$250,000, with a view to providing a cushion for any interest earned on the Swept Deposit while at the Program Bank to be covered by FDIC deposit insurance. For example, based on the SMDIA of \$250,000 per legal category of account ownership per Program Bank and an assumption that there are at least five (5) Program Banks eligible to receive your deposits through the Program, and provided that you do not have any funds on deposit at a Program Bank outside of the Program, your maximum insured Swept Deposits would be \$1,225,000 per legal category of account ownership.

Your coverage under the Program will be limited to the extent that you hold deposits directly, or through others, in the same recognized legal category of ownership at the same Program Banks as you hold deposits through the Program. The FDIC protects you against the loss of your insured Swept Deposits in the event a Program Bank fails. FDIC deposit insurance is backed by the full faith and credit of the United States. Specifically, FDIC deposit insurance coverage shall be available for your Swept Deposits up to the SMDIA, which is currently \$250,000 per legal category of account ownership at each participating Program Bank when aggregated with all other deposits held by you in the same Program Bank and in the same legal category of account ownership.

In general, the FDIC-recognized categories of account ownership include single ownership accounts; accounts held by an agent, escrow agent, nominee, guardian, custodian, or conservator; annuity contract accounts; certain joint ownership accounts; certain revocable trust accounts; accounts of a corporation, partnership, or unincorporated association; accounts held by a depository institution as the trustee of an irrevocable trust; certain irrevocable trust accounts; certain retirement and other employee benefit plan accounts; and certain accounts held by government depositors.

The FDIC’s regulations impose special requirements for obtaining pass-through FDIC insurance coverage for multiple levels of fiduciary relationships. In these situations, in order for FDIC insurance coverage to pass through to the true beneficial owners of the funds, it is necessary (i) to expressly indicate, on the records of the insured depository institution that there are multiple levels of fiduciary relationships, (ii) to disclose the existence of additional levels of fiduciary relationships in records, maintained in good faith and in the regular course of business, by parties at subsequent levels, and (iii) to disclose, at each of the level(s), the name(s) and the interest(s) of the person(s) on whose behalf the party at the level is acting. No person or entity in the chain of parties will be permitted to claim that they are acting in a fiduciary capacity for others unless the possible existence of such a relationship is revealed at some previous level in the chain. If your Swept Deposits are beneficially owned through multiple levels of fiduciary relationship, you must take steps to comply with these special requirements.

Until your funds are actually received in investable form and processed by the Program Banks, your funds may be insured at Varo up to \$250,000 in total and not at the Program Banks. Your Swept Deposits are allocated among Program Banks to seek to maximize the potential FDIC deposit insurance coverage up to the Program limit. Varo may instruct Stable to limit the total deposit for you at any Program Bank to an amount less than the maximum permitted amount of \$250,000. In the aggregate, the maximum amount of Swept Deposits eligible for FDIC deposit insurance coverage shall not exceed the SMDIA per legal category of account ownership multiplied by the number of participating Program Banks in the Program that you have not excluded from receiving your deposits, less any funds that you may hold on deposit in the Program Banks outside of the Program in the same legal category of account ownership but not in excess of the Program limit.

Varo and Stable will use all commercially reasonable efforts to ensure that no more than \$245,000 of your swept funds will be deposited in any single Program Bank. If you have any money on deposit in a Program Bank outside of the Program, that money will not be taken into account in determining whether to allocate your money in the Program to a particular Program Bank. Because Varo and Stable would not be aware of deposits made by you outside of this Program, you are solely responsible for monitoring the total amount of all deposits you have at each Program Bank for purposes of calculating your FDIC coverage and evaluating your participation in the Program based on your deposits outside of Varo. You may obtain a current list of Program Banks by visiting <https://faq.varomoney.com/hc/en-us/sections/360010069031-Deposits>. For more information, please call us at 1-877-377-8276 or email us at support@varomoney.com.

If for any reason the amount deposited in any Program Bank account exceeds the applicable SMDIA, the excess funds would not be insured by the FDIC. Neither Varo nor Stable, shall have any liability for any insured or uninsured portion of your deposits in any of the Program Banks. In the event that FDIC deposit insurance payments become necessary, payments of principal plus unpaid and accrued interest up to the SMDIA per legal category of account ownership multiplied by the number of Program Banks shall be made to you. However, there is no specific time period during which the FDIC must make insurance payments available. Furthermore, you may be required to provide certain documentation to the FDIC before insurance payments are made.

For questions about FDIC insurance coverage, you may call the FDIC at 877-275-3342 or visit the FDIC's web site at www.fdic.gov.

E. Program Banks

Each Program Bank is a separate FDIC-insured depository institution. You can obtain publicly available financial information for all Program Banks at the FDIC's website at www.fdic.gov; or by contacting the FDIC Division of Depositor and Consumer Protection by letter at 550 17th Street, N.W., Washington, D.C. 20429-9990 or by phone at 877-275-3342. Neither Varo nor Stable guarantee the financial condition of any Program Bank, or the accuracy of any publicly available information concerning a Program Bank. You expressly consent to Varo, Stable and their service providers providing your customer account information to Program Banks for purposes of your involvement in the Program, as required by applicable law or FDIC regulations.

The Program Bank accounts established by Varo as your agent constitute direct obligations of the Program Bank(s) and are not directly or indirectly an obligation of Varo or Stable. In the event a Program Bank rejects additional deposits, withdraws entirely, or is terminated from participation,

then you hereby authorize and direct Varo, as your agent, to move, or direct Stable to move, your Swept Deposits to another FDIC-insured Program Bank.

Under federal regulations, Program Banks may reserve the right to require seven (7) days' notice before permitting a transfer of funds out of a money market deposit account. While the Program Banks have not indicated their intention to implement such a policy, a Program Bank may, at any time, choose to do so.

F. Interest, Compensation, and Fees

Interest

The Available Balance in your Vault does not accrue interest.

Compensation and Fees

Each Program Bank may profit from the difference between the interest it pays on Deposit Accounts and the income it earns on loans, investments, and other business operations. Each Program Bank may pay Varo and/or Stable fees for its services related to your Swept Deposits equal to a percentage of the average daily deposit balance in the Deposit Accounts at the Program Bank. The fees paid to Varo and/or Stable by each Program Bank may vary.

G. Account Statements

All your activity on your Vault will appear on your periodic account statement, including the total of your opening and closing balances. You will not receive a separate statement from the Program Banks and your period account statement will not indicate any sweep activity that occurred during the period.

H. Risks of the Program

You may receive a lower rate of return on money deposited through the Program than on other types of investments, including money market mutual funds. While this will not impact your access to your Available Balance in your Vault, subject to FDIC insurance, Program Banks are permitted to impose a seven (7) day delay on any withdrawal request. In the unlikely event of a failure of a Program Bank, there may be a time period during which you may not be able to access your money. If you have money at a Program Bank outside the Program, this may reduce the availability of FDIC insurance for the total amount of your funds held within and outside the Program.

I. Other Terms

Closing of Account: If you or Varo, for any reason, close your Believe Account or Vault Account, your participation in the Program also will be terminated and your funds will be distributed out through your Vault according to the terms and conditions of these Agreements.

Ordinary Care: Any failure by Varo or any Program Bank to act or any delay by such party beyond time limits prescribed by law or permitted by this Agreement is excused if caused by your negligence, interruption of communication facilities, suspension of payments by another financial institution, war, act of terrorism, emergency conditions or other circumstances beyond the control of such party. You agree that any act or omission made by Varo or any Program Bank in reliance

upon or in accordance with any provision of the Uniform Commercial Code as adopted in Utah, or any rule or regulation of the State of Utah, or a federal agency having jurisdiction over such party shall constitute ordinary care.

Personal Information: You agree that Varo and the Program Banks and their respective service providers, including Stable, may share information concerning you and your accounts in connection with your participation in the Program and this Agreement with any affiliate of such entity or otherwise in accordance with applicable laws and regulations including Varo's Privacy Policy. You agree that Varo, the Program Banks and their respective service providers, including Stable, may obtain such information as may be necessary for legitimate business needs in connection with the operation of the Program. For information regarding the collection, processing and use of your personal information and your rights to limit the use and disclosure of such information, you should refer to the Varo's Privacy Policy.

Days of Operation: The Program will only initiate sweeps on days when both Varo and the Federal Reserve Banks are open for business.

Tax Withholding: Varo may be required to withhold U.S. federal income tax at the prevailing rate on all taxable distributions payable to certain depositors who fail to provide their correct taxpayer identification number or to make required certifications or who have been notified by the Internal Revenue Service that they are subject to backup withholding. Interest earned on accounts held by entities (individuals or corporations) that are neither citizens nor residents of the United States, except for Canadian residents, is not subject to withholding tax.

Limitation of Liability. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL VARO OR ITS AFFILIATES BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES OF ANY NATURE, WHETHER SUCH LIABILITY IS ASSERTED ON THE BASIS OF CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, INCLUDING WITHOUT LIMITATION, LOSS OF PROFITS, GOODWILL OR BUSINESS INTERRUPTION.

Tax Identification Information. You acknowledge that the Program uses your tax identification information in order to allocate your Swept Deposits across Program Banks under the Program. If you do not provide, or if you do not have, a tax identification number, your funds may not be allocated across Program Banks to provide you with expanded FDIC insurance under the provisions of this Agreement.

Aggregation of Funds in Multiple Accounts. If you have more than one account in the Program with the same tax identification information, the funds in all such accounts are aggregated for the purpose of calculating the FDIC insurance available under the Program. Depending on the individual facts and the ownership rights and capacities in which funds are held, additional FDIC insurance may be available. Refer to sections above for further information about FDIC insurance.

Legal Process: Varo and the Program Banks may comply with any writ of attachment, execution, garnishment, tax levy, restraining order, subpoena, warrant or other legal process, which such party reasonably and in good faith believes to be valid. Varo may notify you of such process by telephone, electronically or in writing. If Varo is not fully reimbursed for its record research, photocopying and handling costs by the party that served the process, Varo may charge such costs

to your Vault Account, in addition to its minimum legal process fee. You agree to indemnify, defend and hold Varo, Stable, and the Program Banks harmless from all actions, claims, liabilities, losses, costs, attorney's fees, and damages associated with their compliance with any process that such party believes reasonably and in good faith to be valid. You further agree that Varo, Stable, and the Program Banks may honor legal process that is served personally, by mail, or by facsimile transmission at any of their respective offices (including locations other than where the funds, records or property sought is held), even if the law requires personal delivery at the office where your Swept Deposit records are maintained.

B. The Varo Believe Card, Varo Bank Account, and the Vault Account Are Only Available Electronically

The Varo Believe Card, Varo Bank Account, and the Vault Account are only available electronically. By establishing a Varo Bank Account and by applying for the Believe Card, you agreed to receive all disclosures electronically. See in Section III.G "Consent to Electronic Communications." If you do not have the systems needed to receive disclosures electronically, we cannot provide this Believe Card and the Vault Account to you.

C. Our Rights Upon Default

Our rights stated in these Agreements are in addition to any others we have under the law. You represent that no insolvency proceeding or general assignment for creditors is pending that would affect the Bank's security interest(s). To the extent permitted by law, you waive any defense you may have against the Bank. The Bank can exercise its rights against the Vault Account even if you are no longer liable on the Debt, as defined in Section III.C.1 "Events of Default" below, because of a statute of limitations or because of other reasons. Until the Debt is fully repaid and you have no further obligations under these Agreements, you will subordinate in favor of the Bank any right of subrogation and any right to enforce a remedy the Bank now has or may later have.

1. **Events of Default.** We may consider your Believe Account and Vault Account to be in default if any of the following occurs ("**Default**"): (i) you fail to meet the conditions (including eligibility requirements listed in Section I.A of this Agreement), to perform any obligation, or to make any required payment under these Agreements or any other agreement that you make with us relating to the Debt; (ii) you have given us false or misleading information or misrepresentations; (iii) you die; (iv) any government authority takes action that we believe adversely affects your financial condition or ability to repay the Debt; (v) any guaranty or other agreement required in connection with the Debt is violated or ineffective; or (vi) you file a bankruptcy petition, a bankruptcy petition is filed against you, or you make a general assignment for the benefit of creditors. If you Default, the Bank may declare all of the Debt immediately due and payable. The Bank may also exercise all the rights of an owner of the Vault Account. "**Debt**" includes all amounts you owe to the Bank, including but not limited to fees and charges that may accrue under your Believe Card, as well as each extension, refinance or renewal of such obligations, and any expenses that the Bank incurs in enforcing your obligations under these Agreements, including fees for independent and/or in-house counsel, where allowed by law. Your Vault Account does not secure any obligations to us other than the Debt, as defined above. Once you are 7 days past due on your payment, you will not be able to transact with the Believe Card until you pay the amount due.
2. **Our Rights Upon Your Default.** Once you are 31 days late on your payment on your Believe Account, we are authorized to exercise all of our rights under the security interest that you have granted to us in the Secured Funds in your Vault Account. Without limiting the foregoing and to the extent permitted by law, we may act as owner of the Vault Account, withdraw Secured Funds from the Vault Account, and apply all or any portion of the Secured Funds at any time(s) to repayment of the Debt and our costs in enforcing our rights hereunder and under the Vault Account Agreement. Your Believe Card privileges may also be suspended, subject to reinstatement at our discretion. We are irrevocably appointed as attorney-in-fact for the limited purpose of executing any instruments required to satisfy the Debt.

D. Important Information About Procedures for Opening a New Account

You must have an open and active Varo Bank Account prior to opening a Believe Account and a Vault Account. You must agree to accept electronic, rather than paper statements. We may, at our option, provide certain documents in paper form at our sole discretion. This means (i) you must keep us supplied with your valid email address and (ii) you must agree to accept electronic delivery of all account communications (like end-of-year tax forms and electronic statements).

E. No Waiver of Rights

We do not waive our rights by delaying or failing to exercise them at any time. We may delay in enforcing our rights under these Agreements without losing those rights or any other rights. We may waive enforcement of our rights in one or more instances without waiving those rights or any other rights in other instances.

F. Our Communications With You

You expressly authorize us (which includes, for purposes of this paragraph, our affiliates, agents, and contractors) may monitor or record any calls between you and us. If we need to contact you to service your Believe Card or to collect amounts you owe to us, you authorize us to contact you at any number (a) you have provided to us (b) from which you called us, or (c) which we obtained and believe we can reach you at (including wireless, landline and Voice Over Internet Protocol numbers). We may contact you in any way, such as calling, texting, or email. We may contact you using an automated dialer or using artificial or pre-recorded messages. You understand that anyone with access to your telephone may listen to or read the messages we leave or send you, and you agree that we will have no liability for anyone accessing such messages. You further agree that we may contact you on a mobile, wireless, or similar device, even if you are charged for it by your provider of telecommunications, wireless and/or data services, and you agree that we will have no liability for such charges. You agree that you are the owner and/or primary user of any telephone number or email address you provide to us and that you will promptly notify us if this is no longer true as to any such telephone number or email address.

G. Our Relationship With You

These Agreements and the deposit relationship with your Varo Bank Account do not create a fiduciary relationship.

H. Your Representations and Warranties

I. Assignments and Transfers

Your rights under these Agreements may not be transferred by operation of law or otherwise. However, your obligations under these Agreements shall be binding upon your estate or personal representatives. The Bank may sell your Believe Card and Vault Account and/or assign or transfer these Agreements and our related rights and obligations without prior notice to you and without your consent.

J. Changing Terms of Your Believe Card and Vault Account

We may amend the terms of these Agreements, including the amount of any Believe Card fees, from time to time in our sole discretion. Depending on the nature of the change, the amendment to these Agreements may, on or after the date on which it becomes effective, apply to all of your then-outstanding unpaid indebtedness to us under your Believe Card. If required by applicable law, we will (a) send notice of the changes to you at the address shown on our records for you and (b) give you the right to opt out of the change. If you opt out of the change you will be unable to initiate any further transactions on the Believe Card and you will be required to repay the amount that you owe us under the terms and conditions of the then existing Agreements.

K. Governing Law and Other Rights

Use of the Believe Card is subject to all applicable rules and customs of any clearinghouse or other association involved in transactions. If any provision of these Agreements shall be determined to be invalid or unenforceable under any rule, law, or regulation of any governmental agency, local, state, or federal, the validity or enforceability of any other provision of these Agreements shall not be affected. These Agreements will be governed by the law of the State of Utah except to the extent governed by federal law.

L. Confidentiality and Privacy Policy

Our confidentiality obligations to you and our privacy policies are contained in our US Consumer Privacy Notice and US Online and Mobile Privacy Policy, which are incorporated herein by reference, available at: <https://www.varomoney.com/policies/>.

M. Death or Incapacitation

You or your appointed party, designee, or appointed individual agree to notify us promptly if you die or become legally incapacitated. We will continue to process transaction instructions into and from your Believe Account and Vault Account until we are: (a) notified of your death or adjudication of incompetence and (b) have a reasonable opportunity to act. We may require additional documentation to confirm any claims made on the Believe Account and Vault Account.

N. Business Days

Our business days are Monday through Friday, excluding federal holidays, even if we are open. Any references to “days” found in these Agreements are calendar days (Monday through Sundays) unless indicated otherwise.

O. Force Majeure

Unless otherwise required by applicable law, we are not responsible and will not incur liability to you for any failure, error, malfunction or any delay in carrying out obligations under these Agreements if such failure, error or delay results from causes that are beyond our reasonable control (including, but not limited to inclement weather, epidemics, pandemics, fire, flood, acts of war or terrorism, and earthquakes).

P. State Disclosures

- **Ohio Residents:** The Ohio laws against discrimination requires that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.
- **Married Wisconsin Residents:** If you are married, by submitting your Card application you are confirming that this Card obligation is being incurred in the interest of your marriage and your family. No provision of a marital property agreement, unilateral statement under Section 766.59 of the Wisconsin Statutes, or court order under Section 766.70 of the Wisconsin Statutes adversely affects the interest of the creditor unless the creditor, prior to the time the credit is granted, is furnished a copy of the agreement, statement or decree or has actual knowledge of the adverse provision when the obligation to the creditor is incurred. If the Card for which you are applying is granted, you will notify the Bank if you have a spouse who needs to receive notification that credit has been extended to you.
- **Washington:** In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of any interest charges or service charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

All Claims must be filed within one year of when the Claim arises. Otherwise, it is permanently barred.

Before starting a lawsuit or arbitration, the complaining party must give the other party written notice describing in reasonable detail the Claim and the supporting facts (the "Claim Notice"). We will mail any Claim Notice to you at the mailing address we have on file for you. Once a Claim Notice is sent, the complaining party must give the other party a reasonable opportunity over the next 30 days to resolve the Claim on an individual basis.

Any unresolved Claim must be resolved FINALLY and EXCLUSIVELY by binding individual arbitration conducted by the American Arbitration Association ("AAA") under its Consumer

Arbitration Rules (except for matters that may be taken to a small claims court). Further, if a Party brings a Claim in arbitration, the other Party may also remove that Claim to small claims court (or the equivalent court with jurisdiction over the Claim) if the amount at issue (exclusive of attorneys' fees and costs if applicable law so provides) is properly within the jurisdiction of such court. In such case, the opposing Party must provide notice of intent to remove to small claims (or equivalent) court within 30 days after the arbitration demand is acknowledged by the AAA. In any event, if the Claim is removed, appealed or transferred from small claims (or equivalent) court to another court, it shall be subject to arbitration at the election of either Party. The Parties also reserve the right to demand arbitration if the small claims (or equivalent) court case contains any class or representative claims.

The arbitrator shall have the authority to award all remedies available in an individual lawsuit under applicable law, including, for example, compensatory, statutory and punitive damages (which shall be governed by the same standards that would apply in court), declaratory, injunctive and other equitable relief, and attorneys' fees and costs.

All determinations as to the scope, interpretation, enforceability and validity of the Bank Account Agreement shall be made final exclusively by the arbitrator, which award shall be binding and Final; provided, however, the enforceability of the waiver of the right to bring a Claim on behalf of a class or in a representative capacity shall be determined by exclusively by a court of competent jurisdiction. You must present the return receipt received from the U.S. Postal Service in the event there is a dispute over whether your opt out notice was sent, or whether it was sent and received in a timely manner, in accordance with this Arbitration Clause. No other methods can be used to opt out of this Arbitration Clause. Rejection notices sent to any other address, or sent by electronic mail or sent in a manner without return receipt proof of delivery or communicated orally, will not be accepted or effective. Opting out will not affect the other provisions of this Agreement. If you opt out of this Arbitration Clause, it will not operate to reject any prior or future Arbitration Clause between you and us.

UNLESS YOU OPT OUT OF THIS AGREEMENT TO ARBITRATE AS PROVIDED HEREIN, YOU ARE WAIVING THE RIGHTS TO (I) HAVE A CLAIM DECIDED BY A COURT (EXCEPT SMALL

CLAIMS COURT); AND (II) ASSERT OR PARTICIPATE IN A CLASS ACTION, OR ANY REPRESENTATIVE OR CONSOLIDATED PROCEEDING IN COURT.

Varo will pay any filing, administration, and arbitrator fees imposed by the AAA. Each Party shall bear the expense of its own attorneys' fees, except as otherwise provided by law. If a statute gives you the right to recover any of these fees, these statutory rights shall apply in the arbitration notwithstanding anything to the contrary herein.

If you are covered by the Military Lending Act, then you are not bound by this Arbitration Clause, and to the extent required by the Military Lending Act, nothing in this Agreement will be deemed a waiver of the right to legal recourse under any otherwise applicable provision of state or federal law.

This arbitration provision shall survive: i) the termination of this Bank Account Agreement; ii) the bankruptcy of any party; iii) any transfer, sale or assignment of your Bank Account, or any amounts owed on your Bank Account, to any other person or entity; or iv) closing of the Bank Account. If any portion of this arbitration provision is deemed invalid or unenforceable, the remaining portions shall remain in force except that if the waiver of the right to proceed as a class or in a representative capacity is declared unenforceable in a proceeding between you and us, and that determination becomes final after all appeals have been exhausted, this entire Arbitration Clause (except for this one sentence) shall be null and void in such proceeding.
